I'm Your Man

Call me good Call me bad Call me anything you want to baby But I know that you're sad And I know I'll make you happy With the one thing that you never had Baby, I'm your man (don't you know that?) Baby, I'm your man You bet! If you're gonna do it, do it right-right? Do it with me So good.... You're divine Wanna take you, wanna make you But they tell me it's a crime! Everybody knows where the good people go But where we're going baby Ain't no such word as no! Baby I'm your man (don't you know who I am?) Baby I'm your man You bet! If you're gonna do it, do it right-right? Do it with me Come on baby, (ooh, take me home Please don't leave me here, to do it on my own...) First class information I'll be your sexual inspiration And with some stimulation We can do it right... So why waste time With the other guys? When you can have mine I ain't askin' for no sacrifice Baby your friends do not need to know! I've got a real nice place to go Listen. I don't need you to care I don't need you to understand All I want is for you to be there And when I'm turned on If you want me-I'm your man!

If you're gonna do it, do it right-right? Do it with me Now listen If you're gonna do it-you know what I say? If you're gonna do it don't throw it away Don't throw it baby Because I'll be your boy, I'll be your man I'll be the one who understands I'll be your first, I'll be your last I'll be the only one you ask I'll be your friend, I'll be your toy I'll be the one who brings you joy I'll be your hope, I'll be your pearl I'll take you halfway 'round the world! I'll make you rich—I'll make you poor Just don't use the door Do it with me....

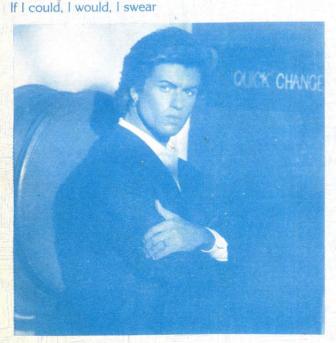

Wham! Rap'86

Hey everybody take a look at me I've got street credibility I may not have a job But I have a good time With the boys that I meet "down on the line" I DON'T NEED YOU So you don't approve Well, who asked you to? HEY, JERK YOU WORK This guy's got better things to do HELL I ain't never gonna work, get down in the dirt I choose to cruise Gonna live my life sharp as a knife I've found my groove and I just can't lose I'm style from head to toe Cool cat flash gonna and I just can't lose I'm style from head to toe Cool cat flash gonna let you know I'm a soul boy-I'm a dole boy-Take pleasure in leisure, I believe in joy! (Chorus) WHAM! BAM! I AM! A MAN! JOB OR NO JOB YOU CAN'T TELL ME THAT I'M NOT DO! YOU! ENJOY WHAT YOU DO? IF NOT JUST STOP! DON'T STAY THERE AND ROT. Party nights and neon lights We hit the floors, we hit the heights Dancing shoes and pretty girls Boys in leather kiss girls in pearls! Hot-damn! everybody, let's play! So they promised you a good job-NO WAY! One, two three, rap!

C'mon everybody DON'T NEED THIS CRAP! (Repeat Chorus) IF YOU'RE A PUB MAN OR A CLUB MAN MAYBE A JET BLACK GUY WITH A HIP HIFT A WHITE COOL CAT WITH A TRILBY HAT MAYBE LEATHER AND STUDS IS WHERE YOU'RE AT MAKE THE MOST OF EVERY DAY DON'T LET HARD TIMES STAND IN YOUR WAY GIVE A WHAM GIVE A BAM BUT DON'T GIVE A DAMN 'COS THE BENEFIT GANG ARE GONNA PAY! Now reach up high and touch your soul The boys from Wham! will help you reach that goal It's gonna break your mama's heart (so sad) It's gonna break your daddy's heart (too bad) Just throw the dice and take my advice 'Cos I know that you'r smart Can you dig this thing? (YEAH!) Are you gonna get down?(YEAH!) Sav Wham! WHAM! Say bam! BAM! (Repeat Chorus 3 Times) Do you wanna work Are you gonna have fun Do you wanna be a jerk Are you gonna stay young Everybody say WHAM! Say BAM! Everybody say WHAM! Say WHAM! BAM! (Enjoy what you do)

A Different Corner

I'd say love was a magical thing I'd say love would keep us from pain Had I been there, had I been there I would promise you all of my life But to lose you would cut like a knife So I don't dare, no I don't dare 'Cause I've never come close in all of these years You are the only one to stop my tears And I'm so scared. I'm so scared Take me back in time maybe I can forget Turn a different corner and we never would have met Would you care I don't understand it, for you it's a breeze Little by little you've brought me to my knees Don't you care No I've never come close in all of these years You are the only one to stop my tears I'm so scared of this love And if all that there is is this fear of being used I should go back to being lonely and confused

(Repeat to fade)

Blue (live in China)

(Blue), every day it seems my smile's a-little harder And every day, I seem to laugh a little less Living this way, it seems my sky's a little darker You went away and left me lonely in success (Can't you see I'm falling apart) (Repeat) Can't you see what's happenin' to me Take this hand and show my fingers where my heart is Understand, you may just save me from despair Watch this man, you'll see he can't stop what he Take this hand, you'll see right now there's no-one there (Can't you see I'm falling apart) You laugh at me as I fall (Can't you see I'm falling apart) Just tell me, tell me, give me one good reason Armed with love, I could save my heart But on my own, I just can't make it I'm too weak to fight, so take it Armed with love, I could save my heart But instead I watch you die (Repeat Chorus) Armed with love, I could save my heart But on my own, I just can't make it I'm too weak to fight, so take it Armed with love, I could save my heart Tell me why am I so blue. Tell me why am I so blue.

Father Figure

That's all wanted Something special, something sacred— In your eyes For just one moment To be bold and naked At your side Sometimes I think that you'll never (Inderstand me Maybe this time is forever... Say it can be That's all you wanted Something special, someone sacred-In your life Just for one moment To be warm and naked At my side Sometimes I think that you'll never (Inderstand me But something tells me together We'd be happy (Baby) I will be your father figure (Oh baby) Put your tiny hand in mine (I'd love to) I will be your preacher teacher (Be your daddy) Anything you have in mind (It would make me) I will be your father figure (Very happy) I have had enough of crime (Please let me) I will be the one who loves you-Until the end of time That's all I wanted But sometimes love can be mistaken For a crime That's all I wanted Just to see my baby's Blue eyes shine This time I think that my lover

Understands me If we have faith in each other Then we can be Strona I will be your father figure Put your tiny hand in mine I will be your preacher teacher Anything you have in mind I will be your father figure I have had enough of crime I will be the one who loves you Until the end of time If you are the desert I'll be the sea If you ever hunger-Hunger for me Whatever you ask for That's what I'll be... So when you remember the ones who have lied Who said that they cared But then laughed as you cried Beautiful darling Don't think of me Because all I ever wanted It's in your eyes baby, baby And love can't lie, no... (Greet me with the eyes of a child) My love is always telling me so... (Heaven is a kiss and a smile) Just hold on, hold on I won't let you go, my baby I will be your father figure Put your tiny hand in mine I will be your preacher teacher Anything you have in mind I will be your father figure I have had enough of crime (So I am gonna love you) Until the end of time I will be your father I will be your preacher I'll be your daddy I will be the one who loves you until the end of time.

I Want Your Sex

There's things that you guess And things that you know There's boys you can trust And girls that you don't There's little things you hide And little things that you show Sometimes you think you're gonna get it But you don't and that's just the way it goes I swear I won't tease you Won't tell you no lies I don't need no bible Just look in my eves I've waited so long baby Now that we're friends Every man's got his patience And here's where mine ends I want your sex I want you I want your...sex It's playing on my mind It's dancing on my soul It's taken so much time So why don't you just let me go I'd really like to try Oh I'd really love to know When you tell me you're gonna regret it Then I tell you that I love you but you still say NO! I swear I won't tease you Won't tell you no lies I don't need no bible Just look in my eyes I've waited so long baby Out in the cold I can't take much more girl I'm losing control I want your sex I want your love I want your...sex It's natural It's chemical (let's do it) It's logical Habitual (can we do it?)

It's sensual

But most of all...

Sex is something we should do

Sex is something for me and you

Sex is natural—sex is good

Not everybody does it

But everybody should

Sex is natural—sex is fun

Sex is best when it's...one on one

One on one

I'm not your father

I'm not your brother

Talk to your sister

I am a lover

C-c-c-come on

What's your definition of dirty baby

What do you consider pornography

Don't you know I love you till it hurts me baby Don't you think it's time you had sex with me

What's your definition of dirty baby

What do you call pornography

Don't you know I love you till it hurts me baby

Don't you think it's time you had sex with me

Sex with me

Sex with me

Have sex with me

C-c-c-come on.

Oh so much love

That you've never seen

Let's make love

Put your trust in me

Don't you listen to what they told you

Because I love you

Let me hold you

Oh

I'm not your brother

I'm not your father

Oh will you ever change your mind

I'm a gentle lover with a heart of gold

But baby you've been so unkind, oh

Come on

I want your sex

Come on, I want your sex

That's right, all night

Oh, I want your sex

I want your....sex

Sexy baby's

Sexy body

Keeps me guessing

With a promise

I know we can come together

But the question is

Will we ever?

Sexy baby's

(Sexy baby's)

Sexy body

(Sexy body)

Keeps me guessing

With a promise

I know we can come together

But the question is

Will we ever?

Together—you and me

One More Try

I've had enough of danger And people on the streets I'm looking out for angels Just trying to find some peace Now I think it's time That you let me know So if you love me Say you love me But if you don't Just let me go... 'Cos teacher There are things that I don't want to learn And the last one I had Made me cry So I don't want to learn to Hold you, touch you Think that you're mine Because it ain't no joy For an uptown boy Whose teacher has told him goodbye, goodbye, goodbye When you were just a stranger And I was at your feet I didn't feel the danger Now I feel the heat That look in your eyes Telling me no So you think that you love me Know that you need me I wrote the song, I know it's wrong Just let me go... And teacher There are things That I don't want to learn Oh the last one I had Made me cry So I don't want to learn to Hold you, touch you Think that you're mine Because it ain't no joy

Whose teacher has told him goodbye, goodbye, goodbye So when you say that you need me That you'll never leave me I know you're wrong, you're not that strong Let me go And teacher There are things That I still have to learn But the one thing I have is my pride Oh so I don't want to Hold you, touch you Think that you're mine Because there ain't no joy For an uptown boy Who just isn't willing to try I'm so cold Inside Maybe just one more try

For an uptown boy

Monkey

Why can't you do it? Why can't you set your monkey free? Always giving in to it-Do you love the monkey or do you love me? Why can't you do it Why do I have to share my baby with a monkey? Oh, I count to ten But I don't know how and I don't know when To open my eyes If you kiss me again Like you did just now, like you did just then I've had the rest Now it's time I had the best So you tell me that you won't do anymore Well I'd write your heart a letter But I think you know me better If I keep on askin' baby maybe I'll get what I'm askin' for Why can't you do it? Why can't you set your monkey free? Always giving in to it-Do you love the monkey or do you love me? Why can't you do it Why do I have to share my baby with a monkey? Oh I hate your friends But I don't know how and I don't know when To open your eyes Yes the monkey's back again Do you want him now like you did back then? I tried my best But your head is such a mess So I guess that I don't want you anymore Well you say you care about me That you just can't do without me But you keep on dancin' baby 'Till that monkey has you on the floor Why can't you do it? Why can't you set your monkey free? Always giving in to it Do you love the monkey or do you love me?

Why can't you do it
Why do I have to share my baby with a monkey?
Don't look now
There's a monkey on your back
Don't look now
There's a monkey on you...

Kissing A Fool

You are far. When I could have been your star, You listened to people, Who scared you to death, and from my heart. Strange that you were strong enough, To even make a start. But you'll never find, Peace of mind. Till you listen to your heart, People. You can never change the way they feel. Better let them do just what they will, For they will, If you let them. Steal your heart from you. People. Will always make a lover feel a fool, But you knew I loved you. We could have shown them all. We should have seen love through. Fooled me with the tears in your eyes, Covered me with kisses and lies, So goodbye. But please don't take my heart, You are far, I'm never gonna be your star, I'll pick up the pieces, And mend my heart, Maybe I'll be strong enough, I don't know where to start. But I'll never find Peace of mind While I listen to my heart, People, You can never change the way they feel, Better let them do just what they will, For they will, If you let them, Steal your heart, And people,

In your eyes I see
What you mean to me
You're my destiny.
(Repeat* and *** and ** til fade)

Freedom

Everyday I hear a diffeerent story People say that you're no good for me Saw your lover with another and She's making a fool of you If you loved me baby you'd deny it But you laugh and tell me I should try it Tell me I'm a baby and I don't understand But you know that I'll forgive you Just this once, twice, forever Cos boby you could let me to heaven just and back As long as we're together And you do Chonis: I don't want your freedom I don't want to play around I don't want nobody baby Part time love just brings me down I don't want your freedom Girl, all I want right now is you Like a prisoner who has his own key But I can't escape until you love me I just go from day to day Knowing all about the other boys Oh oh..) You take my hand and tell me I'm a fool To give you all that I do I bet you someday baby Someone says the same to you But you know that I'll forgive you Just this once, twice, forever Cos baby, you could jet me to heaven and back Just as long as we're together And you do Chorus: You're hurting me baby You're hurting me boby Oh oh ... You're hurting me body You're hurting me boby But you knowthat I'll forgive you Just this once, twice, forever Cos baby, you could jet me to heaven and back Just as long as we're together And you do

Chorus: I don't want your I don't want your

I don't want your I don't want your I don't want your To fade.....

If You Were There

You're the one that makes my day a dream come true Yet and still you wonder if I think of you

You ought to see how the other girls behave when you're not around

And only then you would know that it's on your finger I'm wound

Chorus:

if you were there you'd know

That I care

There's no need for you not to have faith in me

Cos it's by your side girl that I long to be

Yes there are times with my firends When I don't have much to say uh uh

What you don't know is with you I could never act that way

Chorus:

I care for you baby, I swear that I care

Credit Card Baby

You said that you loved me
And I thought that it was true
You said that you needed me
And baby I believe that too
I thought that you were shy
But you put me straight with a wink of your eye
I should have known better I know, I know
But now my hand's in my pocket every time I see you cry

People think that you're so sweet (But they don't know you quite like I do) I quess they think I'm a lucky guy But you're not fooling everybody Chorus:

You can have my credit card baby But keep your red hot finger off my heart lady All I know is what I see You're getting what you want and girl it ain't just me

No matter how you cry I'm not giving any love away
Do you think I'm crazy
All I know is what I see
But what can I do when you pretend that
You're in love with me baby
Don't tell me you love me
Because you know that it's not true
Just tell me you need my money

Girl you know I'll give it to you Between the ocean and the sky There are things that you can't buy And if you look you'll see

One of them is me
Take your hands out my pockets
Digging till the day you die
People think you're so sweet

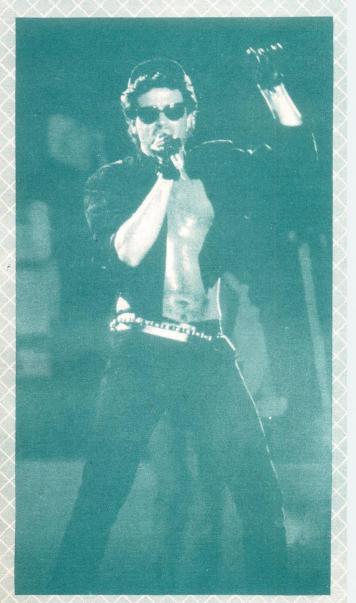

(But they don't know you quite like I do) I guess they think I'm a lucky guy

But you're not fooling everybody Chorus:

People think that you're so sweet (But they don't know you quiet like I do)

I guess they think I'm a lucky guy
But you're not fooling everybody
There are the breaks that you make for yourself
You've got to take your opportunities or stay on the
shelf

You want to stay around me well That's Okay it's just a game that we play

Careless Whisper

I feel so unsure As I take your hand And lead you to the dance floor As the music dies Something in your eyes Calls to mind a silver screen And all its sad goodbyes Chorus: I'm never gonna dance again Guilty feet have got no rhythm Though it's easy to pretend I know you're not a fool I should have known better Than to cheat a friend Than to cheat a friend And waste the chance that I'd been given So I'm never gonna dance again The way I danced with you Time can never mend The careless whispers of a good friend To the heart and mind Ignorance is kind There's no comfort in the truth Pain is all you find Chorus: Tonight the music seems so loud I wish that we could lose this crowd Maybe it's better this way We'd hurt each other with the things we want to say We could have been so good together We could have lived this dance forever But now who's gonna dance with me-please stay Chorus:

Now that you're gone
Now that you're gone
Was that I did so wrong, so wrong
That you had to leave me alone
I'm always here for you

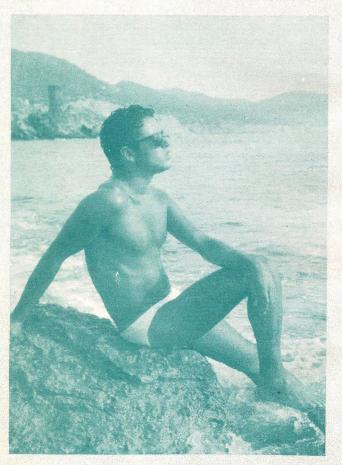

And I will never bring you down, down, down, down.

Hard Day

DON'T BRING ME DOWN DON'T BRING ME DOWN DON'T BRING ME DOWN I've never been one For playing games You can move your mouth forever But the words sound just the same Somethina like Bang bang you're dead Couldn't we just make love instead Say yes because it's what we do best And I've had such a hard day Take me where their eyes can't find us Without you I may as well just... How much-do I have to say What more-do you have to see What will it take to make you love me Well you're not the first You're not the last You're not even the one who loves me the best But all think about is you So take me where their eyes can't find us Without you I may as well just... So take me where their eyes can't find us Without you I may as well just... DON'T BRING ME DOWN DON'T BRING ME DOWN DON'T BRING ME DOWN Please don't wander from my door I've never been one For playing games You can move your mouth forever But the words sound just the same Bang bang you're dead Shouldn't we just make love instead Say yes 'cause it's what we do best And I've had such a hard day So don't bring me down Won't you give me a break Somebody give me a break now! DON'T BRING ME DOWN DON'T BRING ME DOWN

DON'T BRING ME DOWN

Sweet little boy with oh such a big mouth
Harsh words can get you into hot water
When people don't understand you baby
I'm always here for you
And I
And I will never bring you down, down, down, down.
Down my baby
Trust me
I want you to trust me
Oh trust me
'Cause I won't bring you down
(Don't bring me down)
I won't bring you down
Do you trust me
Yeah

Hand To Mouth

Jimmy Got Nothing made himself a name With a gun that he polished for a rainy day A smile and a quote from a vigilante movie Our boy Jimmy just blew them all away He said it made him crazy Twenty five years living hand to mouth Hand to mouth, hand to mouth, hand to mouth Sweet little baby on a big white doorstep She needs her mother but her mother is dead Just another hooker that the lucky can forget Just another hooker It happens everyday... She loved her little baby But she couldn't bear to see her living hand to mouth Hand to mouth, hand to mouth, hand to mouth I believe in the gods of America I believed in the land of the free But no one told me (No one told me) That the gods believe in nothing So with empty hands I pray And from day to hopeless day They still don't see me (See me) Everybody talks about the new generation Jump on the wagon or they'll leave you behind But no one gave a thought to the rest of the nation "Like to help you buddy but I haven't got the time" Somebody shouted, "Save me" But everybody started living hand to mouth Hand to mouth, hand to mouth, hand to mouth There's a big white lady On a big white doorstep She asked her daddy and her daddy said "yes" Has to give a little for the dollars that we get Has to give a little-

They say it's for the best Somebody shouted,

"Maybe!"

But they kept on living from hand to mouth Hand to mouth, hand to mouth, hand to mouth So she ran to the arms of America And she kissed the powers that be And someone told me (Someone tole me)
That the gods believe in nothing So with empty hands I pray And I tell myself
One day
They just might see me...

Look at Your hands

I loved you once But look at you now You're in somebody else's bed I loved you once So I don't know how You're with a man like that You'd be better off dead He don't care He don't treat you right It's not fair I still want you at night Can't you see you made a mistake girl He treats you like dirt and I hate it Na na na na na lady look at your hands You got two fat children and a drunken man Betcha don't, betcha don't, betcha don't like your life Betcha don't, betcha don't, betcha don't like it Ma ma ma ma ma baby look at your hands You should have been my woman when you had the chance Betcha don't betcha don't, betcha don't like your life Betcha don't, betcha don't, betcha don't like your life now He hits you once He hits you twice He don't care about the blood on his hands But that's Ok 'Cause it's his wife "Its the only thing she understands" he says Say you're gonna leave him Say you're gonna try But you're only talking Oh I know you think I'm a young boy But I'm good and I think we can make it Na na na na na lady look at your hands You've got two fat children and a drunken man Betcha don't, betcha don't, betcha don't like your life Betch don't, betcha don't, betcha don't like it Ma ma ma ma ma baby look at your hands You should have been my woman when you had the chance

Betcha don't betcha don't betcha don't like your life

Betcha don't, betcha don't betcha don't like your life now

(Don't like your guy now)

Well excuse me baby but it's making me mad The only one you want is the only one you'll never have

It's so sad

The only one you'll never have

It's too bad

Only one you'll never have

Na na na na na na lady look at your hands You've got two fat children and a drunken man

And I bet you don't like your life now...

The Edge of Heaven

I would lock you up But I could not bear to hear you Screaming to be set free I would chain you up If I'd thought you'd swear The only one that mattered was me, me, me I would strap you up But don't worry baby You know I wouldn't hurt you 'less you wanted me to It's too late to stop Won't the heavens save me? My daddy said the devil looks a lot like you You take me to the edge of heaven Tell me that my soul's forgiven Hide your baby's eyes and we can... You take me to the edge of heaven One last time might be forever When the passion dies-It's just a matter of time before my heart is Looking for a home I'm like a maniac, at the end of the day I'm like a doggie barking at your door So come and take me back to the place you stay And maybe we can do it once more You say I'm dangerous But don't worry baby I get excited at the things that you do And there's place for us in a dirty movie 'Cos no-one does it better than me and you You take me to the edge of heaven Tell me that my soul's forgiven Hide your baby's eyes and we can... You take me to the edge of heaven One last time might be forever Please don't tell me lies It's just a matter of time before my heart is looking for a home I ain't got no more worries I'm gonna spend some time with you

Loving you takes such courage And don't you think that I know it

(Filthy)

You take me to the edge of heaven
You tell me that my soul's forgiven
Hide your baby's eyes and we can...
You take me to the edge of heaven
One last time might be forever
Don't you tell me lies, because believe me baby
One day you'll wake up on your own.
I ain't got no more worries
I ain't got no more time for you
Loving you takes such courage
Everyone's got their eyes on you
I ain't got no more worries
I ain't got no more time for you
Loving you takes such courage
And don't you think that I know it

Where Did Your Heart Go?

I spend my nights down on the wharf In unlit alleyways By the church downtown Where Sally prays Come down sometime We'll share a rusty can of corn... And listen to the radio Hove you, Hove you, it says... Where did your heart go Did you put it on a train Did you leave it in the rain Or down in Mexico? You cry, but I don't know I've heard it all before There it goes again, the slamming of the door Sometimes the river calls me And at night it calls my name Says "put your troubles down beside me" Things have always been the same... And rock 'n' roll won't teach me What the river said that night I jumped into this beauty And drifted out of sight... Where did your heart go Did you put it on a train Did you leave it in the rain Or down in Mexico?

Last Christmas (Long Version)

Last Christmas

I gave you my heart

But the very next day you gave it away

This year

To save me from tears

I'll give it to someone special

(Repeat Chorus)

Once bitten and twice shy

I keep my distance

But you still catch my eye

Tell me baby

Do you recognise me?

Well

It's been a year

It doesn't surprise me

(Merry Christmas)

I wrapped it up and sent it

With a note saying 'I love you'

I meant it

Now I know what a fool I've been

But if you kissed me now

I know you'd fool me again

(Repeat Chorus)

A crowded room

Friends with tired eyes

I'm hiding from you

And your soul of ice

My god I thought you were

Someone to rely on

Me?

I guess I was a shoulder to cry on

A face of a lover with a fire in his heart

A man under cover but you tore me apart

Now I've found a real love you'll

Never fool me again.

(Repeat Chorus Twice)

A face of a lover with a fire in his heart

A man under cover but you tore him apart

Maybe next year I'll give it to someone

I'll give it to someone special.

Battlestation

You ask too much of me

You try my patience

Your tongue—it's like a razor

You choose your words like weapons

Here we go-battlestations

I never have the guts to let you look inside

I don't think you'd appreciate the things that I hide

Monday was the worst day

And Friday wasn't my day

But Wednesday was the best day

Because on Wednesday night we made love

All I'm trying to give you is a good time honey

Why d'ya have to keep on playing games with my head

Used to be your baby when you had no money

Now we spend more time in battle

Than we ever do in bed

(Than we ever do in bed)

You don't know how much I hate that answerphone

Are you standing there?

But-you won't pick up the phone

Why lie to my face?

(When you can buy a tape machine to give me bullshit

in your place)

Today I did something I thought I'd never do

I opened up your diary and read about you

Monday was the worst day

And Friday wasn't my day

But Wednesday was the best day

'Cause on Wednesday night we made love

(Repeat Chorus)

Monday was the worst day

Wednesday we made love

And Friday-ooh but-

Saturday, is today, is what I'm thinking of

Come in baby—come in close

(Take off your designer clothes)

'Cos you know what I'm thinking of

Do you remember me, do you remember us-

Do you remember love?

(Repeat Chorus)

Everything She Wants

Work somebody told me Boy everything she wants is everything she sees I guess I must have loved you Because I said you were the perfect girl for me Baby And now we're six months older And everything you want and everything you see is out of reach not good enough I don't know what the hell you want from me Somebody tell me (won't you tell me) Why I work so hard for you (to give you money, work to give you money) Some people work for a living Some people work for fun Girl I just work for you They told me marriage was give and take Well you've shown me you can take You've got some giving to do And now you tell me that you're having my baby I'll tell you that I'm happy if you want me to But one step further and my back will break If my best isn't good enough Then how can it be good enough Then how can it be good enough for two I can't work any harder than I do Somebody tell me (won't you tell me) Why I work so hard for you (Give you money work to give you money) Oh why do I do the things I do I'd tell you if I knew My God I don't even think that I love you (Won't you tell me) (Give you money work to give you money) Work Work Work Work Work Work Somebody tell me (won't you tell me) Why I work so hard for you Oh to give you money Chorus to fade

Heartbeat

Another summer another vacation is over A September morning with the sun and smell of the clover

Down by the gates we sit and we watch all our friends go by

And pretend we don't hear the bell that rings through the summer sky

I was happy with the kisses she gave me It's just that happy was all she made me Happy that was until I saw you Chorus:

Heartbeat heartbeat why do you fail me now
You hurt me desert me in my darkest hour
Heartbeat heartbeat why do you keep me here
How could I help but admire her beauty
Standing on the line between desire and duty
Heartbeat heartbeat it will end in tears
I need a lover that loves such a dangerous place to be
Oh if we were meant for each other then why don't
you answer me

Don't keep me waiting, you know that I long to be by your side

We could even be together tonight I was happy with the kisses she gave me Now there's nothing on earth to save me Why should I care I can have you Chorus to fade

Like A Baby

Foreign skies That blinded me to empty charms I crossed the ocean and fell into your arms So sure so wrong You sand me a single tune I took it for a song Say goodbye don't tell me why you have to go Loving you was as good as gold (as good as gold) I'd love to love you, really love you But you see, there's something you should know I really didn't think you'd go Because today I could have sworn I heard you say I love you I want you I need to be with you Today I saw something in your face Stay here Beside me I need your love to hide me You lied And now you've gone away

And left me crying like a baby

Wake Me Up before you go-go

You put the boom-boom into my heart You send my soul sky high When your loving starts A jitterbug into my brain

It goes bang, bang...bang
Till my feet do the same
But something's bugging me
Something ain't right
My best friend told me what you did last night
You left me sleeping in my bed
I was dreaming but I should have been with you instead

Chorus:

Wake me up before you go-go Don't leave me hanging on like a yo-yo Wake me up before you go-go I don't want to miss it when you hit that high Wake me up before you go-go Cos I'm not planning on going solo Wake me up before you go-go Take me dancing tonight You put the grey skies out of my way You make the sun shine brighter than Doris Day Turned a bright spark into a flame My beats per minute never been the same Cos you're my lady I'm your fool It makes me crazy when you act so cruel Come on baby lets not fight We'll go dancing Everything will be alright Chorus: Cuddle up baby move in tight We'll go dancing tomorrow night It's cold out there but it's warm in bed They can dance

We'll stay at home instead

Chorus to Fade

Heaven Is A Place On Earth

Foolish Beat

DEBBIE GIBSON

VERSE:

THERE WAS A TIME WHEN

BROKEN HEARTS AND BROKEN DREAMS WERE OVER.

THERE WAS A PLACE WHERE

ALL YOU COULD DO WAS

WISH ON A FOUR LEAF CLOVER.

BUT NOW IS A NEW TIME

THERE IS A NEW PLACE

WHERE DREAMS JUST CAN'T COME TRUE

IT STARTED THE DAY WHEN I LEFT YOU (OH)

CHORUS:

I COULD NEVER LOVE AGAIN THE WAY I LOVED

YOU (OH)

I COULD NEVER CRY AGAIN LIKE I DID WHEN I

LEFT YOU

AND WHEN WE SAID GOODBYE

ON THE LOOK IN YOUR EYES

JUST LEFT ME BESIDE MYSELF WITHOUT YOUR

HEART

I COULD NEVER LOVE AGAIN NOW THAT WE'RE

APART

VERSE:

WHEN I WAS SORRY

IT WAS TOO LATE TO TURN AROUND

AND TELL YOU SO

THERE WAS NO REASON

(THERE WAS NO REASON)

JUST A FOOLISH BEAT OF MY HEART

CHORUS:

I COULD NEVER LOVE AGAIN THE WAY I LOVED

YOU (OH)

I COULD NEVER CRY AGAIN LIKE I DID WHEN I

LEFT YOU

AND WHEN WE SAID GOODBYE

OH THE LOOK IN YOUR EYES

JUST LEFT ME BESIDE MYSELF WITHOUT YOUR

HEART

I COULD NEVER LOVE AGAIN NOW THAT WE'RE

APART

BRIDGE:

CAN'T YOU SEE I'M NOT FOOLING NOBODY

DON'T YOU SEE THE TEARS ARE FALLING DOWN

MY FACE

SINCE YOU WENT AWAY

BREAK MY HEART, YOU SLIPPED AWAY

DIDN'T KNOW I WAS WRONG

NEVER MEANT TO HURT YOU NOW YOU'RE GONE

CHORUS:

I COULD NEVER LOVE AGAIN THE WAY I LOVED

YOU (OH)

I COULD NEVER CRY AGAIN LIKE I DID WHEN I

LEFT YOU

AND WHEN WE SAID GOODBYE

OH THE LOOK IN YOUR EYES

JUST LEFT ME BESIDE MYSELF WITHOUT YOUR

HEART

I COULD NEVER LOVE AGAIN NOW THAT WE'RE

APART

(NOW THAT WE'RE APART) OH)

I COULD NEVER LOVE AGAIN NOW THAT WERE

APART.

VERSE:

WITHOUT YOU, WITHOUT YOU

I ALWAYS THOUGHT THAT EVERYTHING WAS FINE

WITHOUT YOU

NEVER KNOWING YOU'D BE MINE

SUDDENLY MY WORLD HAS CHANGED

AND I JUST WONDER WHY

ALL IT TOOK WAS JUST ONE SMILE

CHORUS:

NOW WITH YOU, OUT OF THE BLUE

LOVE APPEARED BEFORE MY EYES WITH YOU

A DREAM COME TRUE

I NEVER THOUGHT I'D REALIZE WHAT LOVE WAS

HERE WITH YOU

VERSE:

I NEED YOU, I NEED YOU

AND EVERY DAY I LOVE YOU MORE AND MORE

WITHOUT YOU I KNOW WHAT IT'S ALL FOR

SUDDENLY I SEE YOU THERE

AND EVERYTHING'S OK

DON'T KNOW WHY I FEEL THIS WAY

CHORUS:

NOW WITH YOU, OUT OF THE BLUE

LOVE APPEARED BEFORE MY EYES WITH YOU

A DREAM COME TRUE

I NEVER THOUGHT I'D REALIZE WHAT LOVE WAS

HERE WITH YOU

BRIDGE:

WE ARE TOGETHER NOW

NEVER TAKE MY HEART AWAY

ALL THE LOVE I FOUND

IS HERE TO STAY

CHORUS:

NOW WITH YOU, OUT OF THE BLUE

LOVE APPEARED BEFORE MY EYES WITH YOU

A DREAM COME TRUE

I NEVER THOUGHT I'D REALIZE WHAT LOVE WAS

HERE WITH YOU

REPEAT CHORUS
